

Happy Fun Marker Time

This font was made to appeal little kids.

It is a prequel to Big Fat Pencil series.

Because of that, it was inspired by the neat inscriptions from young children.

Happy Fun Marker Time by Heaven Castro

The Characters

Mike the Marker

He is the STRONGEST of all... But wait, playing Double Dealing Character in nurseries are unfair for everyone!

Benny the Pencil

He's back, but the Marker would now make him a fight for Antinomy of Common Flowers.

The Characters

Cirno and Daiyousei

They never appeared in promotion image, but NEKO WORKS' Eastern Garden does.

Johannes(character)

As he appeared in the preview image.

He is the character in Geometry Kids.

The Characters

Satori Komeiji and Koishi Komeiji

They appeared NEKO WORKS' Eastern Garden, but only mentioned in the sample text.

Brent

Only mentioned in the sample text.

He was first mentioned in a workbook called Phonics.

Sample Text

Brent went to lunch at school.

Utsuho and Rin were the pets of Satori and Koishi. They lived in Palace of Earth Spirits.

Sample Text

A snail has a soft body covered by a shell. It creeps along on a foot. It's body has a head with feelers, eyes, a mouth and tiny teeth. Land snails live in shady places. They lay eggs in the ground. A moving snail makes a sticky slime to help it move. Snails live almost everywhere.

The Conclusion

Thanks for watching :)
